## DESCRIPTION

The Asadi Wine Bottle Carrying Case is a nice alternative to transporting single bottles while also serving as a gift option for wine lovers. The carrying case has everything you will need to enjoy a nice bottle of wine away from home with a foil cutter, corkscrew and bottle topper carefully held on the inside face of the case lid.

In addition to being an elegant vessel for bottle transportation, the Asadi Wine Bottle Carrying Case can be used as an impromptu table top able to display a bottle and two wine glasses. Take the carrying case on a picnic, show at the park or to a friend's house and all its features will be at your disposal.
